The cumulative performance in all assessments in a course registered by a student is awarded a letter grade. The letter grades indicate a qualitative assessment of the student's performance and carry a quantitative (numeric) equivalent called the Grade Point.

(14) The letter grade awarded to a student for his/her performance in a course can be based on either the Absolute Grading or the Relative Grading concept. The university will follow an Absolute Grading System. The letter grades and their equivalent grade point are given in Table 1.

Table 1: Letter Grades with Grade Points and Range of Marks

(15) The Letter Grade (A+, A, A-, B+, B, B-, C+, C, C-, F, and FR) indicates the level of academic performance, assessed on a decimal (0-10) scale. A student is declared to have passed / cleared a course, if he / she has earned anyone of the following grades: 'A+', A, A-, B+, B, B-, C+, C, C-' as per the university norms.

(16) The Earned Credits refers to the credits assigned to the course in which a student has obtained either 'S' grade, or any one of the letter grades 'A+', 'A', 'A-', 'B+', 'B', 'B-', 'C+', 'C', 'C' (but not 'F', 'FR', 'U' and 'N').

- (17) The 'F' grade denotes failure in a course due to very poor performance. The grade 'F' will be awarded, if the student fails to clear a course due to their poor performance during the semester in a course which reflects on the total marks. A grade 'F' carries 'Zero' grade point and to clear the course, the student will be allowed to appear for a Supplementary Assessment. The student is also allowed to re-register for the course in a subsequent semester and complete the same with a performance grade.
- (18) The 'FR' grade denotes failure in a course due to shortage of attendance, or the student is penalized for malpractice in examinations. A student who obtains 'FR' grade in any course should necessarily re-register for the course in a subsequent semester and complete the same with a performance grade.
- (19) All the 'F' (other than the courses for which an improved grade is obtained by the student in the supplementary assessment) and 'FR' grades secured in any course stay permanently on the grade card.
- (20) The letter grade 'N' is a placeholder which denotes Not-Complete performance in any course due to absence during CEA, due to some unavoidable circumstances like bereavement in immediate family or major illness. The 'N' gets converted to an appropriate regular letter grade after the Supplementary Assessment. In case the student does not avail the Supplementary Assessment, this will be converted to a 'F' grade.
- (21) The letter grade 'S' and 'U' are awarded for the University Mandatory Learning Courses. The 'S' grade denotes satisfactory performance and completion of a course. The requirements for receiving 'S' grade for the University Learning Courses, will be clearly stated in the course/session plan. The 'U' grade denotes unsatisfactory performance and the student is expected to mandatorily complete the course for the degree to be awarded.
- (22) The letter grade 'AU' is awarded in a course that the student opts to register for Audit. It is not mandatory for the student to go through the entire regular process of evaluation in an audit course. However, the student should satisfy the minimum attendance requirement and complete the minimal level of evaluation as stipulated in the course plan by the Course Instructor, failing which that course will not be listed in the Grade Sheet. The student does not earn credits for the Audited course.
- (23) The letter grade 'A+' grade stands for exemplary achievement, whereas the letter grade 'C-' stands for marginal performance and is the minimum passing letter grade

(24) An 'F' grade obtained in a subject, and a new grade attained for the subsequent repeat, will be both reflected in the transcript. Both grades will also be counted in the computation of SGPA and CGPA.

(25) The letter grade 'T' is awarded for courses taken from approved student exchange programs. They will be excluded from the CGPA computation. However, they will be counted toward the academic unit requirement for graduation, and reflected in the transcript.

(26) Students are not allowed to repeat any subjects taken except those with 'F' grade.

(27) The overall performance of a student will be measured by two indices: SGPA which is the Semester Grade Point Average and CGPA which is the Cumulative Grade Point Average.

(28) The performance of a student in a semester is indicated by a number (SGPA). The SGPA is a weighted average of the grade points obtained in all the courses registered by the student during the semester. SGPA for a semester is computed as follows:

[Σ (Course Credits) x (Grade Point)] for all courses with letter grades (with grade points) including all 'F' and 'FR' grades (in that semester)

SGPA = _____

[Σ (Course Credits)] for all courses with letter grades (with grade points) including all 'F' and 'FR' grades (in that semester)

(29) The CGPA indicates overall academic performance of a student in all the courses registered up to and including the latest completed semester. It is computed in the same manner as SGPA, considering all the courses. CGPA is computed as follows:

[Σ (Course Credits) x (Grade Point)] for all courses with letter grades (with grade points) including all 'F' and 'FR' grades

CGPA = _____

[Σ (Course Credits)] for all courses with letter grades (with grade points) including all 'F' and 'FR' grades

(30) The SGPA and CGPA are calculated to TWO DECIMAL PLACES. Both SGPA and CGPA are calculated as follows at the end of every semester and indicated in the Grade Sheet.

(31) The students will be issued a Grade Sheet at the end of each semester. This Grade Sheet will be an accurate log of course activity of a student in each semester and hence all courses registered (including those courses that are awarded 'F', 'N', 'S', 'U',

substituted, re-registered, audited, grade improvement courses, transfer credits) will be listed semester-wise along with the grade points earned (performance and other grades), course credits, SGPA, CGPA, etc. This will reflect the performance of a student during the specific semester. The overall performance of a student in all semesters since joining the program will be shown in a Consolidated Grade Sheet. A Consolidated Grade Sheet will be issued to a student upon his/her successful completion of the program or along with the Degree Certificate. The Consolidated Grade Sheet will indicate only the CGPA, and not SGPA.
